New Motor Vehicle and Mobile Plant Standards

in addition to New Pre-Start Books

As part of the OTML commitment to reducing vehicle incidents, we have developed 2 new standards for:

- motor vehicles and
- mobile plant.

Mobile Plant and Equipment

OHS Standard: 2.04
Scope of Application: OTML Operation

Document Number: OTM
Revision:
Issued: Novemt

Motor Vehicle and Road Safety

OHS Standard: 2.09
Scope of Application: OTML Operation

Document Number: OTML-OHS-STD-2.09
Revision: 3.1
Issued: October 2018

Document Owner: Manager Occupational Health & Safety

We have also developed new Pre-start books to help keep vehicles in a safe condition.

These new resources will be available in the coming weeks and rolled out across all vehicle types.
