

## Tell us what Ok Tedi means to YOU for a chance to win an iPad!

Ok Tedi employs more than 3,000 people and nearly 4,000 contractors. We're a diverse bunch and we choose to work here for many reasons: the challenges, the safety transformation, the engineering innovations, the opportunity to learn and develop.

### What's your reason?

This is *your* chance to tell *your* story of what working at Ok Tedi (Mine, Mill, Tabubil, Bige, Kiunga, Port Moresby and Brisbane) means to *you*.

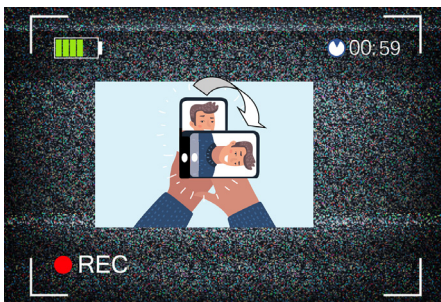

Simply record a 60-second selfie video on your phone introducing yourself, your role and what working at Ok Tedi means to you. Focus on the NMSW 'Fit for Work' theme for the week you are entering (see below), and include details such as what you like about working at Ok Tedi and why you choose to work at OTML.

**Selfie Video Competition will run for 3 weeks. Entries for each week must focus on the following Fit for Work Themes:**

**Week 1: Health and Hygiene - What Ok Tedi means to me (submission deadline 6pm 10 April 2022)**

**Week 2: Advanced Safety Awareness and Behaviour - What Ok Tedi means to me (submission deadline 6pm 17 April 2022)**

**Week 3: Mentally Fit for Work (submission deadline 6pm 24 April 2022).**

### Top tips for filming a winning entry:

- Film the selfie in 'landscape' NOT 'portrait'.
- Make sure your face is well lit.
- Incorporate pidgin/english and our OTML values.
- Try to choose an interesting background.
- Make sure there is no background noise. Film somewhere quiet if possible.
- Make sure you are filming in a safe way.

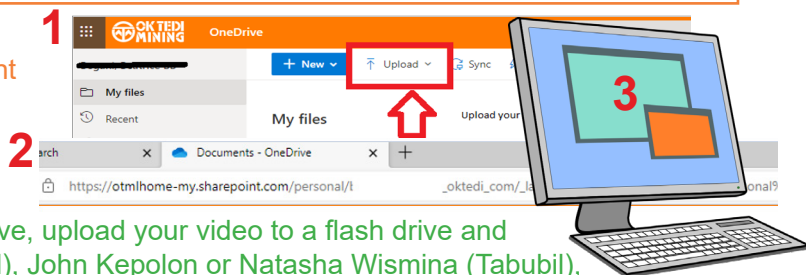

### Our OTML Values

When you're ready:

1. Upload your video to your OneDrive account
2. Copy link
3. Email the link to:
