Top tips for filming a winning entry!

- Film the selfie in 'landscape' NOT 'portrait'
- Make sure your face is well lit.
- Incorporate Pidgin/English and our OTML values.
- Try to choose an interesting background.
- Make sure there is no background noise. Film somewhere quiet if possible.
- Make sure you are filming in a safe way.

- Submitted videos may be used internally or externally by OK Tedi.
- Minor edits may be made to videos before release.
- Prizes are awarded at the committee's discretion

5 winners for each week as per the selfie video committee.
