

APD NMSW TRAFFIC BLITZ

NMSW APD TRAFFIC BLITZ

- **APD/POLICE ROAD BLOCKS**

- › **Main intent of the activity**

- To participate effectively in the 2023 NMSW program with the theme LV & Mobile Equipment Safety
- APD & Police to conduct road block and do spot checks on OTML/BP vehicles, private vehicles & PMVs
- APD to issue demerit points to OTML/Business Partner vehicles for non-safety compliance
- Police to check vehicles & issue TINs for traffic offences and vehicle defects on PMVs/private motor vehicles.

- › **Number of teams**

- 5 teams - 2 teams in Tabubil, 1 Helsinki checkpoint, 1 Bige & 1 Kiunga

- › **Duration of the activity**

- 2 hours each day, 1st, 2nd & 4th /05/2023

NMSW APD TRAFFIC BLITZ

- **Main Outcome of Activity**

- › **Demerits issued to OTML/Business partners**

- 22 Demerits issued, 1x driving without valid OTML permit, 21 x failure to comply with applicable standard / road rules (untagged fire extinguishers)
- Police issued 8 Traffic Infringement Notices amounted to K2800.00 fines

- › **Positives of the activity**

- OTML/Business partners now checking and getting their fire extinguishers for checking and tagging at Fire Maintenance workshop
- The activity reminded the workforce of the importance of safety in LV & Mobile equipment safety, especially with proper vehicle checks during pre-starts and not just ticking off the boxes

- › **Improvements of the Activity**

- Manpower increase when executing the tasking in the next NMSW so that road blocks can be executed safely, effectively and efficiently
- Take 5 & debrief to be conducted with all team members before and after tasking at the location
